About the Company:

Radius Global Infrastructure, Inc., through its subsidiary AP Wireless ("APW"), is a multinational owner of a growing, diversified portfolio of triple-net ground, rooftop and other critical communications properties leased to wireless carriers and tower companies underlying their mission critical cell site antenna infrastructure. APW's proven lease origination engine drives highly attractive yields on capital invested. The Company is also expanding into other digital infrastructure segments and has a broad pipeline of proprietary and non-proprietary acquisitions, investments and build-to-suit opportunities.

In 2010, the Company began investing in cell tower leases from a headquarters in San Diego, California, U.S.A. As of June 30, 2020, the Company had interests in the revenue streams of approximately 6,600 leases that were situated on approximately 5,000 different communications sites located throughout the United States and 18 other countries.
