

Radius Global Infrastructure Announces the Addition of Ashley Leeds to its Board of Directors

November 13, 2020

NEW YORK--(BUSINESS WIRE)--Nov. 13, 2020-- Radius Global Infrastructure, Inc. (NASDAQ: RADI) (the "Company") today announced that it has appointed Ashley Leeds to its Board of Directors, increasing its Board size to 9 members, effective November 12, 2020. Ms. Leeds will serve on the Audit Committee and the Nominating and Corporate Governance Committee of the Company's Board.

Ms. Leeds is currently the CEO of JED Group LLC, an omnichannel, luxury apparel and accessories brand. She commenced her career as an investment banker at Lehman Brothers where she advised companies in the broadcast, cable and wireless telecommunications sectors. In 1995, Ms. Leeds became a Founding Partner at Baker Capital, a communications and media focused private equity and venture capital firm. In 2007, she established RIME Communications Capital, an investment firm focused on early stage investing in technology-driven products and services businesses. While at these investment firms, Ms. Leeds was responsible for sourcing, structuring and monitoring portfolio investments and was a director on several public and private company boards.

"We are extremely pleased to welcome Ashley to our Board of Directors," said Bill Berkman, Co-Chairman and Chief Executive Officer of Radius Global Infrastructure. "Ashley brings a wealth of global leadership experience through her successful track record of investing in and advising dynamic growth companies operating at the nexus of the technology, media, communications and consumer products industries. We believe that Ashley will make a tremendous contribution to our Board as we continue to grow across our U.S. and international footprint."

About the Company:

Radius Global Infrastructure, Inc., through its subsidiary AP Wireless ("APW"), is one of the largest global aggregators of real property interests underlying wireless communications cell sites and other communications infrastructure. It has a growing, diversified portfolio of triple-net ground, rooftop and other critical communications properties leased to wireless carriers and tower companies underlying their mission critical cell site antenna infrastructure. APW's proven lease origination engine drives highly attractive yields on capital invested. The Company is also expanding into other digital infrastructure segments and has a broad pipeline of proprietary and non-proprietary acquisitions, investments and build-to-suit opportunities.
