

Radius Global Infrastructure Revises Third Quarter Earnings Release Date

November 3, 2021

NEW YORK--(BUSINESS WIRE)--Nov. 3, 2021-- Radius Global Infrastructure, Inc. (NASDAQ: RADI) (the "Company") today announced that it will release its third quarter financial results after the market close on Wednesday, November 10, 2021 instead of before the market open on Thursday, November 11, as previously announced. Management is still planning to host a webcast and conference call on Thursday, November 11 at 8:30 A.M. Eastern Time to review financial results, discuss recent events and conduct a question-and-answer session. There is no change to the previously announced webcast and conference call instructions, which are provided below. A copy of the earnings release and presentation slides will be posted to the "Quarterly Results" section of the Company's website, <https://www.radiusglobal.com/filings/quarterly-results>.

Webcast and Conference Call:

The live webcast and presentation slides will be available through the "News & Events" section of the Company's website, <https://www.radiusglobal.com/news-events/events-presentations>. Participants are advised to go to the site at least 15 minutes prior to the scheduled start time in order to register, download and install any necessary audio software.

For those unable to access the webcast, the conference call will be accessible domestically or internationally, by dialing 1-877-407-0789 or 1-201-689-8562, respectively. Upon dialing in, please request to join the Radius Global Infrastructure 2021 Third Quarter Earnings Conference Call.

A replay of the webcast and access to the presentation slides will be available on the Company's website at <https://www.radiusglobal.com/news-events/events-presentations>. A telephonic replay can be accessed through November 25, 2021 by dialing 1-844-512-2921 (U.S. domestic) or 1-412-317-6671 (International), passcode 13723928.

About the Company:

Radius Global Infrastructure, Inc., through its subsidiary AP WIP Investments, LLC ("APW"), is one of the largest owners and acquirors of real property interests and contractual rights underlying essential telecommunications digital infrastructure in 21 countries. Radius is a multinational owner of a growing, diversified portfolio of primarily triple net rental streams from wireless operators and tower companies for properties underlying their mission critical digital infrastructure. APW's proven lease origination engine drives attractive yields on capital invested and maintains a broad pipeline of acquisition opportunities.
